Bellarmino University's VA Tuition Policy

All Chapter 31 and 33 VA students are required to submit the appropriate documentation to Bellarmine's Office of Military & Veteran Student Services to verify their eligibility for Education Benefits. Each semester, student benefits will be confirmed between the Office of Student Accounts and the Military & Veteran Student Services Office. Bellarmine will not impose any penalties, including late fees, denial of access to classes, the library, or other institutional facilities, or require a student to borrow additional funds on any covered financial obligations to the institution due to the delayed disbursement funding from VA under Chapter 31 or 33 for students who are eligible. Any remaining balance that will not be paid by the VA under Chapter 31 or 33, such as room and board costs, will need to be paid in full or established on a monthly payment plan by the published tuition due date in order to prevent financial holds and additional interest charges on the uncovered balance. For additional questions, please contact the Military & Veteran Student Services Office at 502.272.7027.
