

Army ROTC Tuition Policy

Army ROTC will be billed by the Office of Student Accounts for tuition and mandatory fees as approved after the add/drop date for the term, including course fees, the Graduation Fee, Matriculation Fee and the Comprehensive Fee. Bellarmine will cover the cost of the standard meal plan and a double occupancy room. Students will be responsible for paying any additional Residence Hall fees. This policy is applicable to all undergraduate, graduate and post-baccalaureate students receiving Army ROTC benefits during the Fall and Spring semesters.

Summer is excluded from Army ROTC benefits.
