## GOIN' ON A PICNIC

Thanks to everyone for making the picnic a winner. I got there at 11:35 or so and thought that it would be just a few folks, but the music was rockin', the food was ready and the tables were mostly filled with people. Great job, Social Committee and Communications Committee, of making the picnic both possible and successful. Thanks again to Ann Reed for securing funding from Dr. Doris Tegart and Bob Zimlich, and thank you to all the other committees for getting the word out and supporting the event.
